

## 2024 Consignment Form

Each invited consignor may consign up to four does, and first time guest consignors two or more depending on space. There may be those who travel further who will be allowed to consign more. If you would like to consider a buck consignment or frozen semen please contact one of the following to discuss: Tracy Loyd, 336-366-9202, Lester Goodman, 434-944-4520, or Stefanie Goodman, 434-944-5958. It is not necessary to name the does you plan to consign at this time, but this form and fees must be received by **June 1, 2024**. The consignment fees will be non-refundable, but substitutions for does will be accepted, provided the substitute meets the sale's standards. Cut off for substitutions will be 10 days prior to sale day and as always, we will do all we can to get the online catalog updated with substitution information and photos prior to sale day. It would be ideal if we received substitution information prior to catalog production and we will keep everyone updated as to the planned date to send the catalog to print. We generally like to have it ready to print by mid September. Remember also that the catalog deadline for registrations and photos is due **July 15, 2024**. We will need copies of your parent verified registrations and photos for the catalog by this date so get your paperwork off to the NKR if you haven't done so already.

Farm Name \_\_\_\_\_

Make the check payable to Carolina Kiko Classic and send to:  
Carolina Kiko Classic  
C/O Tracy Loyd  
655 Ambrose Creek Road  
Stated Road, NC 28676

It is primarily the quality of the animals offered in this sale that will determine the quality of the sale. We thank you for partnering with us in making the Carolina Kiko Classic a premier Kiko event. Please understand that the standards covered in the sales rules will be strictly enforced. The Carolina Kiko Classic or any agents thereof are not responsible for the health or pedigree of the livestock in the sale. I have read the sales rules, and agree to abide by them.
