If you are awaiting registration papers and cannot provide the registration number of the consignment at this time, please list the sire and dams names and registration numbers in the comments section to ensure we have accurate information. Registrations, however, along with verified parentage DNA must be available by July 15, 2022.

Also, lot numbers will be selected by CKC organizers once we have received all consignment information (please leave that line blank). Once they have been assigned, that information will be provided to you.
