

## **2024 CAROLINA KIKO CLASSIC SALE RULES**

The 3rd annual **Carolina Kiko Classic Sale** will be held Saturday November 02, 2024, at the Western North Carolina Agricultural Center located at 1301 Fanning Bridge Rd, Fletcher, NC 28732. The sale will be held in conjunction with the Western North Carolina Meat Goat Conference November 01. Consignments will be by invitation only. The sale will take place at 1:00 p.m., November 02. The sale will feature approximately 6 top quality bucks, 100 New Zealand, purebred and percentage does, and approximately 12 semen lots. Frozen embryos will also be considered. Consignments of recipient does carrying embryos will be accepted in lieu of a doe consignment. The CKC sale is hosted by Tracy Loyd & Angela Story of Ambrose Creek Kikos and Lester & Stefanie Goodman of Rowland Hills Farm.

### **Buck Consignments**

1. The sale will be limited to 6 bucks. The sale committee reserves the right to assess each buck nomination. Each nomination shall possess the consignor's farm prefix.
2. Bucks must be born between January 1, 2021 and March 02, 2024 to be eligible for the sale.
3. All bucks must be registered with the National Kiko Registry.
4. All bucks must contain a readable microchip.
5. All bucks must be DNA parentage verified prior to the catalog cut off date (July 15<sup>th</sup>, 2024).
6. The consignment fee is \$200 per buck. This will apply whether the buck arrives at the sale or not. If nominated buck is not able to sell for any reason, substitutions will be allowed, providing the substitute meets all requirements.
7. All bucks must be of sound conformation with proper scrotal structure and 1+1 teats.
8. It shall be disclosed if a buck has had semen collected/stored.

### **Doe Consignments**

1. Does must be born between November 02, 2019 and Mar 02, 2024 to be eligible for the sale. Except for nursing kids in family lots.
2. Each invited consignor may consign up to 4 does or family units. It may be possible for those who travel longer distances to consign more based on prior approval by the CKC staff. Guest invitees may consign 2 does, up to 4 if additional space is available.

3. Each animal consigned must have the same farm prefix as the consignor with 1 exception. 1 doe consignment can contain a different farm prefix so long as she meets the highest quality standards expected in a breeding stock sale, however, the consignment of any such doe will be at the discretion of the CKC staff.
4. All does and/or kids must be NKR registered and DNA parentage verified prior to the catalog cutoff date (July 15<sup>th</sup>).
5. All does must have a readable microchip.
6. Does that are sold as “confirmed pregnant” must be verified pregnant via ultrasound exam or blood test with documentation at check in. The sire must be a DNA-tested, NKR registered sire. Embryos must be the offspring of a DNA-tested, NKR-registered sire and dam. The sire and dam’s NKR registration numbers and VGL numbers must be provided.
7. When embryo kids are born, if the DNA doesn’t match what the original owner proclaimed, the buyer has the right to a refund, via the consignor, upon surrender of the doe and kids. DNA testing must be completed within one year of the sale date.
8. Surrogate dams with embryo kids must sell with the kids. The kids must be registered and parent verified before the sale.
9. The consignment fee for each doe/lot consigned is \$140.00. The consignment fee applies even if the doe doesn’t make it to the sale. If consigned goats/embryos are not able to sell for any reason, substitutions will be allowed, provided the substitute meets all sale requirements. Any family units sold, the additional transfer fees will be deducted from the sale price (The \$140 covers 1 animal transfer fee).
10. It shall be disclosed if any doe has been involved in any reproductive enhancement procedures (ie: laparoscopic artificial insemination, embryo transfer, ova collection etc.)

#### **Semen/Frozen Embryo Consignments**

1. Semen consignments will be limited to 12-16 lots and frozen embryos will be considered. First consideration will be given to those also consigning does to the sale.
2. Consignors will be charged a consignment fee of \$50 for each semen/embryo lot. This will apply whether the lots sell or not.
3. All semen/embryos must be from NKR-registered parents.
4. Please use the consignment details form, prior to the catalog cut off date, to provide details including where the semen/embryos will be available, from a stored facility or on site day of sale.
5. All shipping fees for semen/embryos will be the responsibility of the buyer. It is the responsibility of the buyer and seller to finalize the transfer of semen/embryos.

#### **Goat Inspection/Health Requirements**

Please make sure your consignments are of top quality and in the best health, including optimal body condition. Upon arrival at the sales facility, all goats will be visually inspected for general health and condition. Goats with any of the following will not be allowed in the sale:

1. Suspicious knot/scars. If a lump/knot appears between time of admission and sale time the goat will be removed from the facility. Eligibility of a goat with an injection site reaction will be determined by sale management on a case by case basis.
2. More than 2 teats or fish/abnormal teats, more than one orifice
3. Pinkeye
4. Soremouth
5. Misshapen hooves or other foot issues/infection. Skin issues such as chorioptes mange

**All goats must arrive at the sale with a certificate of veterinary inspection issued by a federally accredited veterinarian within 30 days of the sale date consigning them to the Carolina Kiko Classic Sale, Western North Carolina Agricultural Center, 1301 Fanning Bridge Rd., Fletcher, NC 28732. Each individual goat must have a separate copy of a health certificate showing its individual identification. Multiple goats much may be listed on one certificate if photocopies are made and identification for that goat is highlighted on a copy. All goats much have a scrapie identification tag.**

Disease testing for diseases such as: Johnes, CAE and CL is strongly suggested.

#### **General information**

1. The deadline for consignment fees and nominations is **June 1, 2024**.
2. Sellers must provide a copy of an NKR registration and photo for each consigned goat/embryo/ semen lot by **July 15, 2023** for inclusion into the sale catalog. Please submit by email to [carolinakikoclassic@gmail.com](mailto:carolinakikoclassic@gmail.com) or if that is not possible you can mail to Carolina Kiko Classic c/o Stefanie Goodman, 725 Glenland Road, Gretna, VA 24557. Don't delay in submitting registrations and DNA samples to NKR because the UC Davis genetics testing lab is still running behind and we are now also seeing lots of issues relating to lost mail. We recommend getting tracking information on any items submitted to the NKR or to us.
3. All goats must have a microchip that matches their registration certificate. Please check this before you leave home. In the event that a microchip is not identified at time of arrival a new microchip will be available on site for placement by the consignor for a \$10 fee.
4. Frozen semen and frozen embryos must have identification and storage location. Recipient does must have embryos' dam and sire identification, including NKR registration and VGL numbers.
5. When you arrive at the sale please have a manila envelope for each consignment containing all the following items:
  - a. The original NKR registration certificate.
  - b. A copy of the NKR registration certificate that will be given to buyer day of sale.
  - c. A signed NKR transfer form, complete except for the buyer's information.
  - d. A copy of the certificate of veterinary inspection (health paper) with that individual animal highlighted.

- e. If applicable, a sire service memo with Registration & VGL number, a copy of any test data you wish to pass along to the buyer.
  - f. For semen lots please include two copies of the NKR registration and for embryo lots two copies of the proposed pedigree.
6. Consignors can unload goats at the facility on Thursday Oct. 31<sup>st</sup> from 10 a.m to 6 p.m. and Friday, Nov. 01<sup>st</sup> from 8 a.m. to 3 p.m. If other arrangements need to be made please contact Tracy Loyd at 336-366-9202.
  7. There will be no private goat sales on the premises of the WNC Agricultural Center property. Previously sold goats can be delivered if prearranged but please give us a call to make us aware.
  8. Water and shavings will be provided but each consignor is responsible for feed, water, hay and feed containers, and care for your goats.
  9. Consignors will not be paid on the day of the sale. Funds will be held in a special account until all checks clear and credit cards are processed. Checks should be delivered in 2-4 weeks.
  10. Any goat that is not removed from the sale facility by 10 a.m. on Sunday Nov. 03 will become property of the CKC.
  11. The host farms nor the CKC is responsible for the health or pedigree information of the consignments.
  12. All agreements or guarantees are between buyer and the seller.
